**COUNTRY**  
Spain

**DOMAIN**  
Tax consultant

## About Client

The firm offers its services to many foreign companies in Spain. They are leading provider of advisory services in indirect taxation for small and medium-sized enterprises operating in the market.

## Business Challenge

- Manually prepare ready to file format for VAT returns and EC sales list for its customer shaving bulk volumes of data.
- Manually fetch data from multiple legacy systems and bring them in dedicated VAT form format
- Difficulties in converting data as desired for bulk volumes

## Our Solution

- Auto-generation of ready to file formats.
- Managed services/ data convertor utility to aggregate data from multiple systems and convert it in desired format using fuzzy logics.

## Business Outcome

- ✓ Saved man-hours and operational costs
- ✓ Enhanced accuracy and efficiency for ready to file formats.
